

February 10, 2012

Below are anticipated construction activities for the week of 2/13/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Starting approximately February 15, traffic signal improvements on 16th Street from Dr. Andrew J Brown Avenue to Roosevelt Avenue and on Dr. Andrew J Brown Avenue from 16th Street to 30th Street will be suspended until March.

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. This project also extends into Warren Township.

Storm water improvements are underway on 30th Street between Cold Spring Road and White River Parkway West Drive. Single-lane restrictions will occur for west-bound traffic during daytime hours. This project also borders Wayne Township.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The pedestrian lighting and paver work under the Bankers Life garage on Virginia Avenue has the southbound curb lane restricted. This restriction will be in place for approximately 3 to 4 more weeks. The new traffic restrictions on Virginia Avenue from South Street to the I-65 bridge should be complete by today, February 10. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the construction of the Trail. Saw cutting and removal of the pavement, sidewalk, and curbs as well as placing drainage structures and pipe will begin next week. Traffic control on East Street, either side of South Street, will be restricted to one lane in each direction with a southbound turn lane for placement of a storm structure and pipe starting Monday, February 13. This traffic control will be in place for several days next week until the contractor can get a few of the lanes opened back up. A public information meeting will be held during the last week of February to describe the construction activities and schedule. Details on where and when this public meeting will be held will be announced shortly.

On the Central Corridor (Washington Street), no work on the remaining portion of the Trail (from Capital Avenue to West Street) will begin until after February 15.

Georgia Street

The Super Bowl Village on Georgia Street has been removed. Vehicular traffic will be periodically restricted by the contractor for placement of 10 amenities in the 3 blocks of Georgia Street. This work will take place over the next 2 weeks. Please visit the project web page at <http://www.indy.gov/georgiastreet> for additional information.

PIKE TOWNSHIP

Replacement of the bridge deck and railing on the 56th Street bridge over Eagle Creek is underway. All lanes have been reopened and will remain open until March 1, 2012.

Restrictions may be in place as construction of a pedestrian trail on Michigan Road from Kessler Boulevard to 75th Street is underway. This project also extends into Washington Township.

WASHINGTON TOWNSHIP

Restrictions may occur as resurfacing and other related work is underway on 58th Street from King Street to Michigan Road.

Restrictions may be in place as construction of a pedestrian trail on Michigan Road from Kessler Boulevard to 75th Street is underway. This project also extends into Pike Township.

Lane restrictions are in place on Meridian Street over the White River and Riverview Drive (from 62nd Street to Wellington Road) for bridge rehabilitation.

Restrictions may be in place on 59th Street from the dead end to Michigan Road while restoration is underway following drainage improvements.

Traffic signal improvements are underway on 86th Street/82nd Street from Keystone Avenue to Hague Road, Allisonville Road from 82nd Street to 96th Street, and 86th Street from Allisonville Road to Woods Edge North Drive. This project also extends into Lawrence Township.

Construction for storm water improvements are underway in the area bounded by Kessler Boulevard East Drive to the north, Keystone Avenue to the east, East 56th Street to the south, and east of Evanston Avenue to the west.

WARREN TOWNSHIP

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. This project also extends into Center Township.

Traffic signal improvements will take place at the intersection of 30th Street and Shadeland Avenue next week.

DECATUR TOWNSHIP

Restrictions may be in place on Ratliff Road from Apple Blossom Lane to Banta Road as drainage improvements are underway.

PERRY TOWNSHIP

Traffic signal improvements will take place at the following intersections next week.

- South Meridian Street and West County Line Road
- Stop 11 Road and Madison Avenue

LAWRENCE TOWNSHIP

Traffic signal improvements are underway on 86th Street/82nd Street from Keystone Avenue to Hague Road, Allisonville Road from 82nd Street to 96th Street, and 86th Street from Allisonville Road to Woods Edge North Drive. This project also extends into Washington Township.

WAYNE TOWNSHIP

Signs may be posted detailing a detour route for when construction begins for the replacement of the Morris Street bridge over Avon Creek (east of the Morris Street and Bridgeport Road intersection). A road closure is scheduled to begin on March 5.

Storm water improvements are underway on 30th Street between Cold Spring Road and White River Parkway West Drive. Single-lane restrictions will occur for west-bound traffic during daytime hours. This project also borders Center Township.
